Version 1.1

02/05/2017

3. Special Requirements

3.1 Functionality in the Browser

Since it will be a web application, it should fit every browser. It should have a responsive design.

4. Preconditions

4.1 Log-In

The student has to be registered, logged in and chosen a school, course and professor.

5. Postconditions

5.1 Submit

The student has to press the submit button so the database can create and add the new professor.

6. Extension Points
